

Lashfull Appointment Guidelines

Stay home if sick

If you are showing any signs of illness or have been exposed to someone who has OR have been traveling outside of Canada or been exposed to anyone that has in the last 2 weeks, please reschedule at least 24 hours in advance if possible.

Come solo

Please do not bring any friends, family members, or pets. And if possible, bring minimal personal belongings into the studio.

Wait outside

The waiting area is closed off so please wait outside of the studio until your appointment time. The door will be locked so I will open it to let you in.

Wear a mask

Before entering the studio and for the entire appointment, it is mandatory to wear a mask. If you do not have a mask, I will provide one that you can purchase at cost. Please refrain from touching your face.

Wash your hands

You will be asked to wash your hands upon your arrival to the studio.

Handle your things

Please remove and hang/place your own jacket and bag yourself, rather than being assisted by me.

Social distancing

I am so happy to see or meet you, but at this time, we will refrain from physical contact (i.e. hugs and handshakes).

Keep warm

For hygiene purposes, bedding has been removed so if you run cold please bring your own blanket or extra layer of clothing.

Thank you so much for your cooperation.
